

# HAMZA KHALFEOUI

SOFTWARE ENGINEERING STUDENT

Tunisia ,Tunis|Sousse | +216 94 821 926 | Liohamza2003@gmail.com

## PROFILE SUMMARY

I am a dedicated and passionate software engineering student with a specialization in UI design and front-end development. Continuously seeking growth and staying updated with the latest technologies and trends.

## PROFESSIONAL SKILL

Problem Solving      Leadership  
Time Management      Teamwork

## TECHNICAL SKILL

Git&Github      Python  
C/C++/Java      HTML/Css/JavaScript

## EDUCATION

**Software Engineering** 2022 - current  
**Higher Institute of Applied Sciences and Technology of Sousse (ISSATSo)**  
Software Engineering Degree.  
Relevant Coursework: Software Engineering; Operating Systems; Algorithms; System Design

**Baccalaureate: Science** 2018-2022  
Lycée Ahmed Amara ElKef  
Grade: 16.71 over 20

## CERTIFICATES

**JavaScript (JS) - Certificat Coursera** 2022-2023

- I have a JavaScript certificate from Coursera. This training allowed me to develop my JavaScript programming skills, especially in creating dynamic interactions on websites, thus strengthening my front-end development skills.

**UI/UX Design(Figma) - Certificat Coursera** 2023

- My certificate in UI/UX design from Coursera attests to my skills in creating intuitive and aesthetically pleasing user interfaces. This training gave me an understanding of the fundamentals of user-centered design, which allows me to design exceptional user experiences.

**Introduction au Machine Learning - DeepLearning.ai** 2024

- I successfully completed the introductory machine learning course offered by DeepLearning.ai. This training allowed me to understand the fundamental concepts of machine learning, paving the way for the application of machine learning techniques in my future projects.
